

## Dog off-leash areas

Off leash areas are spaces where dogs can be exercised without a leash, but must still be under the control of an owner or carer.

The Rural City of Murray Bridge values pet ownership and actively promotes responsible pet ownership to benefit the community and wellbeing of pets.

The Rural City has installed and maintains signage and doggy-do litter bag stations at off leash parks.

Regular exercise with your pet is good for both you and your dog's health and can be great fun.

There's nothing like an exercise partner who's waiting by the door with a wagging tail to keep you motivated!

## Rules and regulations of off leash parks

- › All dogs off leash must be accompanied by a person at all times.
- › The person exercising the dog is responsible for the dog's actions and must have the dog under effective control at all times.
- › A max of 2 dogs per handler is allowed and handlers must be 16 years or older or accompanied by an adult.
- › All dogs either on or off leash are required to be identified by a collar and current registration disc.
- › It is your responsibility to clean up after your animal. Free doggy-do bags are supplied at the listed off leash locations but always carry a bag just in case.
- › Dogs must be on leash when entering and exiting dog off leash areas.
- › No other animals except dogs are permitted in these areas.
- › Dogs showing signs of aggression must be restrained on leash and removed by handlers immediately.
- › Users of designated areas do so at their own risk. The Rural City of Murray Bridge shall not be liable for any injuries or damage caused by any dog(s) in these listed areas.
